PULSE
by JM Integrations · Roswell, GA

FOR ANYONE WHO LIVES ON FOLLOW-UP

Follow-up that never slips.

Pulse sends personalized outreach from your own inbox, follows up until they answer, and tells you exactly who's ready to talk.

Free 2-week pilot

BETA · 5 FOUNDING SPOTS

We send 100 personalized emails from your inbox over 14 days, free.

3+ interested replies
You continue at the $150/mo beta rate, locked while you stay.

Fewer than 3
We run one more 14-day round, still free.

Still fewer than 3
You walk away, owe nothing, and keep every lead.

From your own inbox
Sends from your Gmail or Outlook, never a blast tool.

Reads every reply for you
Knows who's interested, who's not ready yet and who wants out.

Your pipeline updates itself
Every reply moves the contact forward on its own.
